THE GOOD LIFE: Don't Worry, Be Happy

Luke 12:22-34

- I. Worry _____ your _____ from _____.
1. Worry is _____.
 2. Worry has _____.
 3. Worry _____ God.
- II. _____ gives your concerns to _____.
1. Faith trusts _____.
 2. Faith builds _____.
 3. Faith gives _____.
- III. _____ your concerns for God's _____.

Next Steps

1. What do you worry about most often? Is there a particular time of day this happens most? Does your anxiety spike while watching the news on TV or online?
2. Which people around you are most impacted by your worries or anxiety...other than yourself?
3. Many of us have "father wounds." So, the thought of God being a good Father, one that will take care of us, be tender with us, and gladly love us is a painful and unrealistic thought. Would you write out your hesitations and doubts in a prayer toward God? Then ask Him to show you who He is as a good shepherd and good father?
