What's Real in my life?

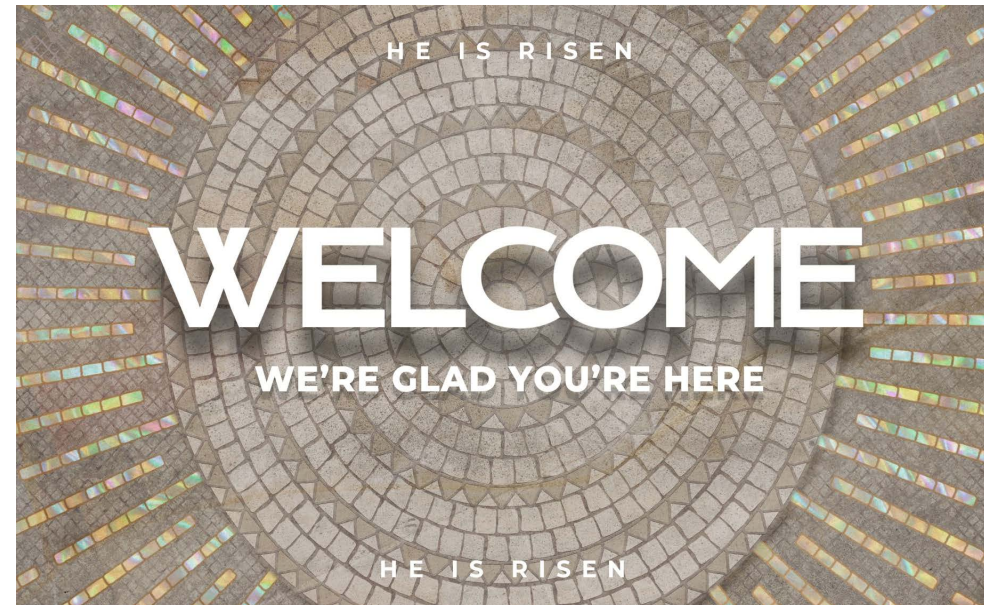

- How many predictions were made about Jesus' life, death, burial, and resurrection over a 1,600 year period?
- Why must the good news about Jesus be preached, and not just believed by individuals?
- How am I responding to Jesus' life, death, and resurrection in my context (e.g. home, work, school, community)?

Welcome to Grace

Easter. The greatest day in all of history. The day in which the God of the universe humbly died a death he did not deserve. Every passage in the Bible, from beginning to end, points to this moment. Why? Because, Jesus loves you! His sacrifice was for you.

God is perfect, so our sins have separated us from Him. Because of this we now have a debt that we cannot pay back on our own. Enter Jesus! In order to reconcile us back to God and pay our sin debt, Jesus came to earth, lived a perfect life, died the death that we deserved, then rose from the dead. This made a way for you and I to receive salvation. Jesus promises a better way of living and a life eternal with him if you just believe. "... Believe in the Lord Jesus Christ and you will be saved..." Acts 16:31. Will you believe?

Hello! We are so glad you're joining us this morning! We have a strong desire to know and experience God's love. It is His love for us which, in turn, inspires us to love God, love people, and lead others to do the same.

Join us every Sunday at 9:00am or 10:45am!
