

Joining a Community Life Group is a wonderful thing! At Grace Community Church this is how we connect with each other in a deeper way! These groups are where we practice all the commands in scripture. Scripture tells us to encourage one another, serve one another, love one another, confess our sins to one another, pray for one another, live in harmony with one another, welcome one another, care for one another, comfort one another, bear one another's burdens, forgive one another, do good to one another, and the list goes on. Most of these things can't happen on a Sunday morning, but it's part of the life of the church. This is why we have Community Life groups. This is how we "do life together". The only way to do life well is to do it together!

Do you know what an abacus is? ...That's not important... What is important? Would you or someone you know be interested in using your God given gifts with numbers and record keeping to serve at Grace. This is a Part-time job of about 15-20hrs/week. As part of a team you would have flexible hours and a great work environment. Consider reaching out to Pastor Will with your questions or interest.
