

Joining a Community Life Group is a wonderful thing! At Grace Community Church this is how we connect with each other in a deeper way! We are not a mega-church, but we are not a small church either. God knows each one of us individually and personally and the church should reflect that too. In a church our size the only way we can do that is by having Community Life groups that connect people on a smaller scale and in a deeper way.

Our mission at Grace is to love God, love people, and lead others to do the same. One of the biggest ways we accomplish the “love people” part of our mission is through Community Life Groups. In our Community Life Groups our mission is to; Love people by connecting in authentic relationships that lead to spiritual transformation.

These groups are where we practice all the one another commands in scripture. Scripture tells us to encourage one another, serve one another, love one another, confess our sins to one another, pray for one another, live in harmony with one another, welcome one another, care for one another, comfort one another, bear one another’s burdens, forgive one another, do good to one another, and the list goes on. Most of these things can’t happen on a Sunday morning, but it’s part of the life of the church. This is why we have Community Life groups. This is how we “do life together”. The only way to do life well is to do it together!
