The Attributes of God

Cross Wind Retreat Center
in Hesston, Kansas

Reflect & Refresh

God's calling for women is powerful. This retreat is an opportunity to intentionally step outside of our daily demands, explore God's attributes and reflect with each other practical ways to fulfill our calling.

This year, we will have several ladies speaking about different attributes of God! Each speaker has chosen an attribute that relates to her own life. Our schedule is simple; our activities are few. This is a chance to separate yourself from responsibilities and fully engage in your relationship with Christ.
